

MI DICCIONARIO

Vocabulario aprendido durante la práctica del verbo TO BE

Este diccionario reúne todas las palabras que fuiste incorporando durante la práctica. Están organizadas por tipo: sustantivos, adjetivos y adverbios.

SUSTANTIVOS (Nouns)

Nombran personas, profesiones, lugares y cosas.

Inglés	Español	Ejemplo
engineer	ingeniero/a	I am an engineer.
teacher	profesor/a	She is a good teacher.
professor	profesor universitario	He is a professor.
doctor	médico/a	She is a doctor.
student	estudiante	We are students.
friend	amigo/a	He has been a good friend.
woman	mujer	She is a beautiful woman.
man	hombre	He is a tall man.
player	jugador/a	I am a chess player.
office	oficina	She is at the office.
school	escuela	They are at school.
work	trabajo	He is at work.
noise	ruido	The noise is too loud.
person	persona (singular)	She is not a bad person.
people	personas / gente (plural)	They are good people.

ADJETIVOS (Adjectives)

Describen o califican al sustantivo. Nunca llevan 's' en plural.

Inglés	Español	Ejemplo
good	bueno/a	She is a good doctor.
bad	malo/a	He is not a bad student.
tired	cansado/a	I have been tired all week.
careful	cuidadoso/a	She is not being careful.
kind	amable	Are you being kind?
friendly	amigable	They are being friendly.
serious	serio/a	Are you being serious?
funny	gracioso/a	They are being funny today.
lazy	perezoso/a	He is being too lazy.
patient	paciente	We are being patient.
responsible	responsable	Is she being responsible?
distracted	distraído/a	I have been very distracted.

beautiful	hermoso/a	She is a beautiful woman.
smart	inteligente	She is a smart engineer.
excellent	excelente	You are an excellent doctor.
interesting	interesante	It is an interesting book.

ADVERBIOS (Adverbs)

Modifican al adjetivo o al verbo. Nunca describen sustantivos.

Inglés	Español	Ejemplo
very	muy	I have been very busy.

too	demasiado	He is being too lazy.
today	hoy	They are being funny today.
lately	últimamente	She has been sick lately.
seriously	seriamente	Are you being serious?
already	ya	We have already been there.
never	nunca	They have never been to London.

EXPRESIONES DE TIEMPO (Time expressions)

Se usan mucho con el Present Perfect para conectar el pasado con el presente.

Inglés	Español	Ejemplo
this week	esta semana	I have been busy this week.
all week	toda la semana	I have been tired all week.
today	hoy	Has he been at work today?
lately	últimamente	She has been sick lately.
already	ya	We have already been there.
never	nunca	They have never been to London.
since	desde	She has been here since Monday.
for	durante / hace	I have been sick for three days.

Regla clave: very vs too

very = muy (solo intensifica, sin juicio negativo): He is very tall.

too = demasiado (implica que es excesivo, un problema): He is too tall to enter the door.
